**Subject: *The HRT sport programme in BiH cable/IPTV networks***

Dear Sirs,

We are kindly reminding you that HRT is acquiring the TV sport rights in HRT programme only for the territory of Croatia. We are kindly asking you to warn the cable operators in Bosnia and Herzegovina that they are obliged to blackout all sport contents such as among the others 2018. FIFA World Cup Russia football matches.

By this we would also like you to explain and underline that neglecting of this information is at operators own risk.

Just to inform you we warned, cable operators in neighbouring countries (Kosovo, Montenegro, Slovenia and Serbia), having the possibility among the other to receive HRT programming by other means but terrestrial overspill in written by e-mail & fax to blackout all sports retransmissions. This warning goes through the representative or Rights Remuneration Collecting Societies.

We sincerely hope you will perform as advised as soon as possible.

Kind regards,
